

Touch.

SKINCARE EXPERIENCES

TRENDY TEXTURES
WITH A HIGH LEVEL
OF QUALITY

MADE IN FRANCE

OEM

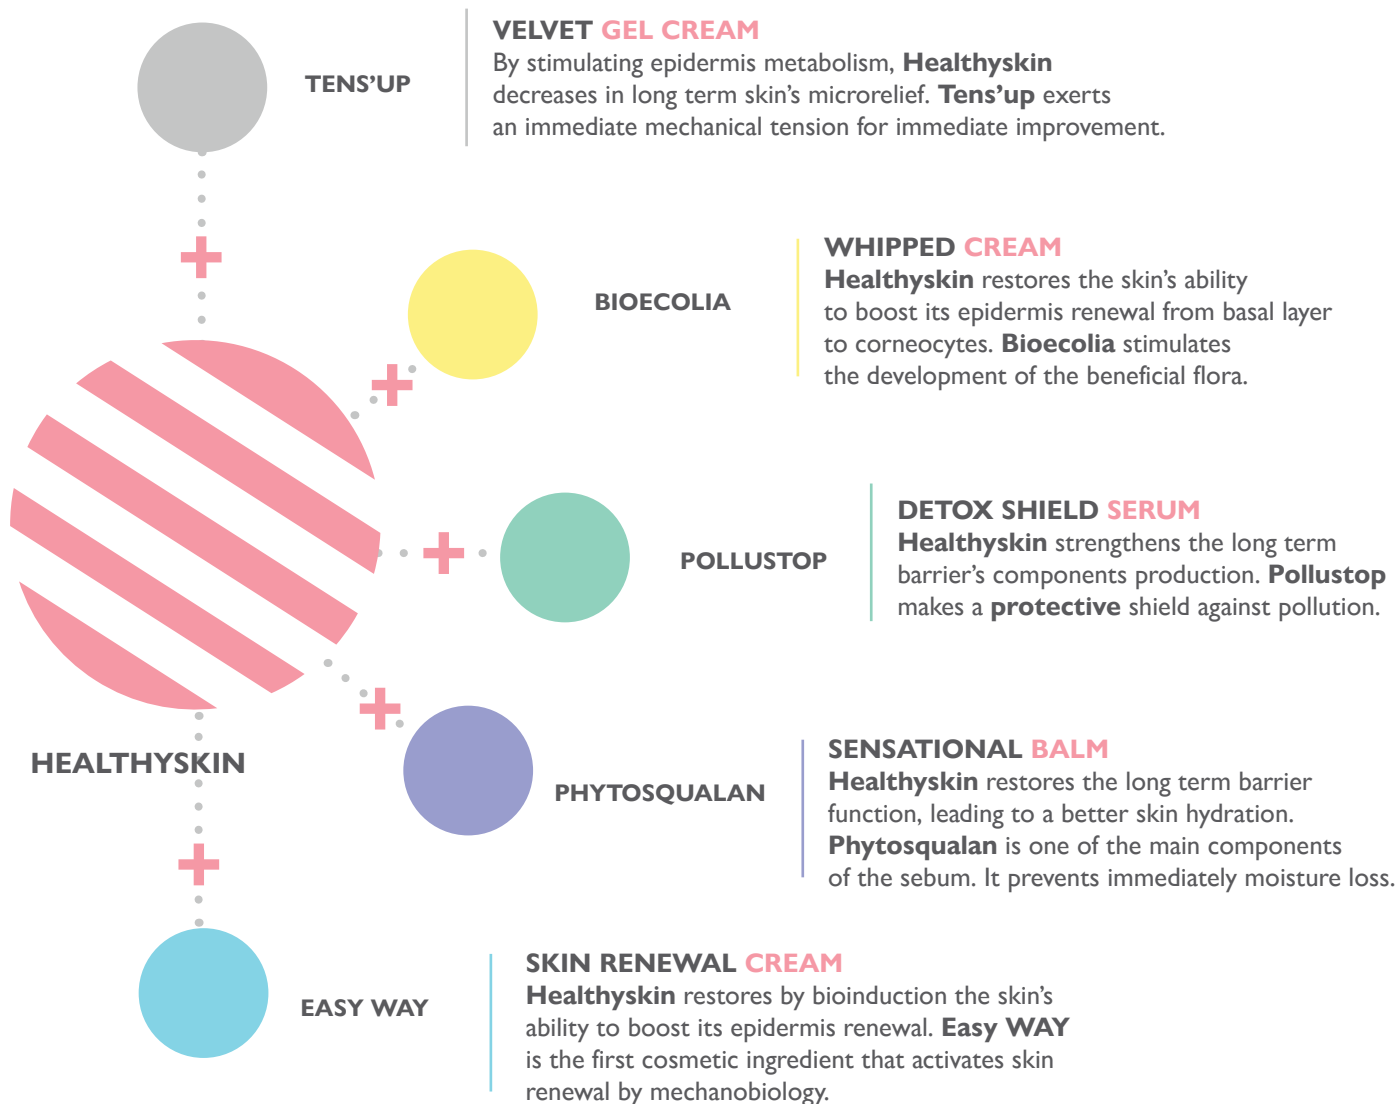

Expert in formulation, our R&D department designed a multisensorial products range to answer to consumers trends and create a «me time» skincare experience. For each **Touch.** product, we designed a specific texture and combined our active ingredient *Healthyskin* with another synergic active for a complementary and powerful efficiency. A perfect range to connect pleasure of texture with an healthy looking skin.

Let's start to touch this skincare experience.
